**ADDENDUM #1**

The purpose of this addendum is to address all questions received on or before 01/11/2023 at 12:00 PM. The time period for questions is closed.

**Questions:**

1. Twinkly Light Pro - If you can send me a video or something to show me what this item is, I would be happy to check into it with my LED factories to see if they manufacture. I did look it up, but many different styles, etc. I was not sure what exactly you are interested in for the bid.

*Answer: 250 light count, capsule lights would be the best with 4" spacing. I see there is a dual line or a single line. We are looking at two different types – 250 count curtains and 250 count capsules.*

**Reminder:**

The due date and time remain the same for this project. This is to remind all bidders that sealed bids for Bid #23-002 Holiday Lights for Celebration of Lights must be submitted by 2:00 P.M. CST, January 18, 2023, to:
