ADDENDUM #1

The purpose of this addendum is to address all questions received on or before 03/08/2023 at 12:00 PM. The time period for questions is closed.

Questions:

1. Standard dimensions on the 20, 30, and 40yd containers is 22FT so it's easy to give quotes. However there is no standard dimension for a 10YD container for length and I would need you to let us know what length you would want these containers bid at so we can all be on the same playing field.

Answer: 10 yd containers are to be roughly 14 feet in length and 48 inches tall.

Reminder:

The due date and time remain the same for this project. This is to remind all bidders that sealed bids for bid #23-025 Roll-Off Style Containers must be submitted by 2:00 P.M. CDT, March 16, 2023, to:
