### **ADDENDUM #1**

The purpose of this addendum is to address all questions received on or before 11/15/2023 at 12:00 PM. The time period for questions is closed.

#### **Questions:**

1. I noticed that the City of O'Fallon, MO is rebidding the drone equipment #23-084 original bidding opportunity. Could you provide us reasoning/information on this?

*Answer: In the response we received to the original bid, the proposed drone did not meet our current requirements for this bid in two ways. The first is that we are looking to purchase several small/medium drones that can be stored in a small package and quickly deployed from a patrol car. The fixed wing design of the proposed drone is not ideal for this use. The second is the cost was higher than what was budgeted for this purchase.*

#### **Reminder:**

The due date and time remain the same for this project. This is to remind all bidders that sealed bids for bid #23-084R Drone Equipment must be submitted by 2:00 P.M. CST, November 21, 2023, to:

Christine Grabin, Purchasing Agent
