ADDENDUM #1

The purpose of this addendum is to answer all questions received on or before 09/12/19 at 12:00 P.M. (central time). The time period for questions is closed.

Questions:

1. On the Pricing page, Types of Equipment, what is a "40"?

Answer: 40 = Hand wash station

2. On page 19, # 9: Can you get more specific? Ex: Would you ever call at midnight, where we would need to respond by 4:00 am? Or would you call when you open, and we would respond by like noon?

Answer: In general, if we are calling for service it would be related to an event. We would need to make sure the portable restrooms are serviced before the event would begin, if it's a multi-day event. If for some reason at the end of the event, we would need it serviced prior to the next day, we would be contacting the company. We think that would be an extreme circumstance.

3. For the ones with additional services, do you need these priced as a total, or separated out?

Answer: In the event we would need to add additional units, we are requesting a price per unit.
