ADDENDUM #1

The purpose of this addendum is to address questions received on or before 08/13/2025 at 12:00 P.M. CDT. The time period for questions is closed.

1. The total package pricing states that set up and tear down is to be included. Do you have a map of the layout for the barricade?

Answer: Yes, see attached.

2. Can the truck drive the location to drop and pick up the barricades?

Answer: Yes.

3. Can you please confirm the set up and tear down time windows? They both appear to be 4-hour windows.

Answer: For set up we are asking for you to arrive between those designated hours. For tear down the job will need to be completed by noon the day after we close to make sure it's off the roads we close for the event.
